## Gym bathrooms almost complete!

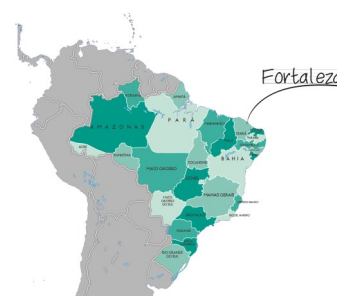

1. Educational project serving 200, 7-14 year olds in the **slums** of Fortaleza, Brazil
  2. 20 hours of **education** / child / week.
  3. 35 years of **experience** in our community.
  4. Saving children from the dangers of the streets by supporting them and their **families**.
  5. YOU (St Michael's) have made a lasting impact by your presence in 2013 , we hope you can **come again soon!**
  6. **Thanks** to support from St Michaels the bathroom facilities for our large gymnasium/ community facility will be finished this month.
  7. **Laura Thomas** is the link person for **UNiViDA**.
- 

The **branches** are the people who bare the weight of our children as they bring their hopes and fears to the project each day. It's an incredibly challenging job to minister to all their needs, and behaviours, and in addition, to teach them!

The **fruit** are the children, constantly growing, searching for wholeness, healing and connection. Pray that they will reach their potential in Christ as unique and beautiful creations!
