Bristol:

inHope.
For those who need us most

Befriending asylum seekers & refugees

Working with young people

Sarah & John Sutton, Tonypany, S. Wales

Mission Overview 2021

St Michael's Church has **12 Mission Partners** - 7 work overseas and 5 work in the UK, in Bristol and South Wales. Key components of our support are building relationships, practical involvement, finance and prayer. A new Zoom prayer meeting with our Mission Partners has been started.

During 2021, St Michael's gave more than £128,000 for regular support and gifts to our Mission Partners.

In May and June, each received a **Covid relief gift**, which went towards things such as:

Food parcels in India, Moldova and Brazil, **oxygen cylinders** in India to help staff treat Covid patients in a local hospital and young **chickens** in Moldova, to be raised for eggs and meat.

In the Autumn, several grants were given towards a range of projects:

a) The Brickworks – providing basic classrooms, latrines and teaching materials for under tree schools for refugee children in DR Congo

b) Moldova - funding to help support a co-worker for Ruslan in his busy ministry

c) inHope - renovating rooms for use by the Life Recovery course.

d) Contributing to rent for Clwb Coffi, Sarah and John's outreach ministry in South Wales.

e) Upcott – supporting the new Young Leaders' Development Programme.

In December, four overseas Mission Partners received funds for Christmas parties for children, and money was given to North Bristol Food Bank and to inHope, to help homeless and vulnerable people in Bristol this winter.

inHope.
For those who need us most

Please **pray** for our Mission Partners and their ministries.

Our Mission Partners are hugely grateful to St Michael's for all the financial and prayer support received and for our partnership. Thank you to everyone who gives to St Michael's – 10% of all donations are used for mission.
