

# Mission Partner of the Month

March 2024

## Greetings from El Shaddai Bible College, India

All our fifty-nine students are currently busy completing personal assignments and studying for their final exams. Everyone is looking forward to our graduation celebrations at the end of May which will mark the end of another academic year at EBC.

Alongside their studies the students have opportunity to improve their computer skills and enjoy arts, crafts and cultural activities. Studying in small groups is encouraged to enhance their learning. Opportunity to gain practical experience is a necessary part of EBC courses and is facilitated by visits to local fellowships.

Crafts & Computer Studies

Our future plans include offering music classes; giving students the opportunity to learn to play an instrument. Slowly we are adding more instruments to enable this.

## Library & Study Materials

Our library of study materials is a valuable resource for students and its use is freely available to them. Growing this resource is essential for our work and I am delighted to let you know we were able to purchase more books during 2023.

We Have Fun Too .....

# Developing....

## A New Assembly Hall

*Our current assembly hall*

We would like to say a big thank you to all at St Michael's Church for giving us the opportunity to build a new assembly hall, via a generous grant. Our existing hall is now unsuitable because it is too small, the plaster is falling away and maintenance is difficult. Our new assembly hall will be used for Chapel services, first year classes, staff and team meetings, group activities and events for the whole college.

We hope the building work will start on 1st March 2024 and we will keep you updated.

## Working Together

Our students participate in the practical elements of running and maintaining the campus, including working in the garden. We want to keep the campus clean and green so that it creates a conducive learning environment. We encourage participatory and creative learning.

Yabesh Samuel  
Principal

*College Gardens*

## Prayer Points:

Please pray for:

1. Our graduating students.
2. The construction of the Assembly Hall.
3. That God's grace and mercy will continue upon this ministry.
