

Prayer Diary

Sunday 17 to Saturday 23 March

Sunday

As we return to our sermon series today around the theme 'Questions Jesus Asked', please pray for Ellie as she speaks concerning the question 'Why are you afraid' from Mark 4: 35-51 at all three services today.

Monday

As they continue their studies, please pray for the two Trinity Ordinands who are placed with us this year: David Huggins, who is in his second year; and Catriona Rawlins who is in her final year of studies.

Tuesday

The various members of our Operations & Admin team – Andy, Chris, Laura, Caroline, Jackie, Jacob, Mark and Nubil – all work hard behind the scenes to keep the church functioning. Give thanks for their dedication and togetherness, and uphold them all in prayer.

Wednesday

As the final session of our current Alpha course takes place this evening, please pray that the lives of all those who attended will have been impacted, and those who came to faith will grow spiritually in the weeks and months to come.

Thursday

EBC Bible College in India, supported through our mission partner Epaphras Trust, ask us to pray for the students graduating in May and preparing to serve their communities; and also for the construction of the new assembly hall to begin soon.

Friday

Although the rate of inflation may be falling, interest rates and energy costs are still high; so please continue to pray for those who are worst affected by the cost-of-living crisis, and for local voluntary organisations seeking to help those who are struggling.

Saturday

Please pray for this morning's 'Crafty Saturday' gathering in the Coffee Shop, offering an opportunity to craft together, and share ideas and knowledge. All are welcome.
