

Prayer Diary

Sunday 21 to Saturday 27 September

Sunday

Life Groups are a vital part of church life here, with today being the second of two sign-up Sundays. Please pray for our Group leaders, and the many individuals who attend the Groups. Ask that God would guide our hearts and minds as we gather, and that His love would strengthen our fellowship.

Monday

Give thanks that our PCC has now approved the appointment of the contractor who will undertake the refurbishment works on our church building. It is hoped that these will commence within the next couple of months. Please continue to pray for all those involved in the planning and implementation of the works.

Tuesday

Sue and her team of amazing staff members and faithful volunteers do incredible work at our Coffee Shop! Give thanks for them, praying that God would encourage and enable them to serve their customers with warmth and friendliness, spreading His light into our community as a beacon of His love.

Wednesday

Our friends at HT Stapleton give thanks for their new Administrator, who is making such a positive addition to the running of the church. Like us, they are currently having Small Group sign-ups, and now have five Groups, grown from one Group 18 months ago. Please continue to uphold them in your prayers.

Thursday

Please pray for Tim, who will be representing us at today's UWE Freshers Fair. Please pray for those UWE students who choose to worship with us in term-time; and pray too for our own students who have returned to their universities this month, especially those who have left home for the first time.

Friday

Another Bereavement Journey course begins this morning, running for the next 7 weeks at the Church Centre. It is for anyone who has been bereaved at any time, aiming to gently guide people through the most common aspects of grief and bereavement. Please pray for Susie as she leads these sessions.

Saturday

Please pray for those you know who are currently undergoing medical treatment or facing/recovering from surgery. Ask that God would grant them peace, strength, and healing, and surround them with His comforting presence. Pray too for this morning's Clothes Swap event in the Lower Hall.
