Sunday 12 to Saturday 18 October

Sunday

A Welcome Lunch will be taking place following our 10.30 celebration today. Give thanks for all those involved in enabling this to happen; and pray that all those newcomers attending will enjoy fellowship together, learn more about what goes on here, and receive a warm St Michael's welcome.

Monday

As the Church refurbishment project gets under way today, please pray that God would equip the building contractors with safety, skill, and care as they undertake the work over the coming months. Pray too for our PCC meeting this evening, which will include a report on our Children's Ministry

Tuesday

Please pray for this evening's Belong Night for Students & Young Adults, who will be gathering in the Church Centre for a time of food, worship, teaching, discussion and fellowship. Pray too for Rachel Clarke, who will be their guest speaker tonight.

Wednesday

Our Bring It To Life team will be at St Michael's School this morning, telling the story of Daniel. Please pray that the children will grasp how God protected him, and not be distracted by the roar of the lions! Pray too that the team members would be blessed with wisdom and creativity as they act out the story.

Thursday

Please continue to pray for Vicky Wicks as she leads the church at Holy Trinity Stapleton, and also for Rob as he supports her. The church have just advertised for a Children's Ministry Lead – please pray for wisdom in the recruitment process so that the right person would be appointed to this vital role.

Friday

All the members of our dedicated Operations & Admin team (Andy, Chris, Laura, Caroline, Jackie, Jacob, Mark and Nubil) work hard each day behind the scenes; Please continue to uphold them all in prayer, asking that God would encourage them as they faithfully serve Him here.

Saturday

Please pray for the future new Archbishop of Canterbury, Sarah Mullally, asking that God would endow her with wisdom, courage, and compassion, guide her leadership, strengthen her faith, and inspire unity within the Church. Pray that she would serve with humility and love, reflecting Christ's light to all.
