

# Prayer Diary

Sunday 19 to Saturday 25 October

**Sunday**

Today is the annual Gift Day for our Mission and Ministry, an opportunity to express our love for Jesus and His Kingdom. Your gifts will enable us to grow and learn together, share Jesus together in our community and equip us to serve a growing number of people in our parish and beyond. How might you respond?

**Monday**

Give thanks for the recent ceasefire agreement in Gaza. Please pray to our God of peace that this fragile truce would bring about lasting safety, relief, and hope to all. Ask that He would guide leaders to uphold justice and compassion, and heal every heart wounded by the conflict over the past two years of devastation.

**Tuesday**

Please pray for God's encouragement for our Life Group leaders, giving thanks for their dedication and commitment. Ask that each Group member would feel supported and inspired as they share, pray, learn and enjoy fellowship together. Pray too that God would guide their discussions and strengthen their faith.

**Wednesday**

During these early weeks of the Church refurbishment works, please pray that the initial activities will proceed smoothly, with no hidden issues coming to light that would hinder progress. Please pray too for good discussions and conversations at tonight's latest session of our in-person Alpha course.

**Thursday**

Give thanks for Sue and her team of wonderful staff members and volunteers at the Coffee Shop. Please pray that God would bless the Coffee Shop as a place of warmth, welcome, and friendship, asking that every cup poured and every word spoken would reflect His love, bringing comfort, joy, and hope to all who enter.

**Friday**

Please pray that God would provide all our local Members of Parliament and local council politicians with wisdom, integrity, and compassion. Ask that He would guide their decisions for the good of all, and that they might serve with humility, seek justice, and work for unity and peace in our communities.

**Saturday**

Give thanks for the Quiet Revival which has been stirring hearts across the UK over the past year or so. Please pray that the Holy Spirit would continue to renew faith, inspire unity, and transform lives. Ask that hope and love would flourish in every community, drawing many closer to God.
