

Prayer Diary

Sunday 9 to Saturday 15 November

Sunday

On this Remembrance Sunday, we remember with gratitude those who gave their lives for freedom and justice in two World Wars, and other conflicts. Ask our God of Peace to grant comfort to the grieving, courage to the living, and hope for the future. May we all strive for peace and honour their sacrifice.

Monday

With the Church refurbishment project now well under way, please continue to pray that God would endow the building contractors with safety, skill, and care as they continue the work over the coming months. Pray too for our PCC meeting this evening, which will include a report on our Youth & Students work.

Tuesday

Our current Online Alpha course takes place on Tuesdays, and from this week onwards is being run as two separate sessions at 4.00pm (being run by Chris & Lucy) and at 8.00pm (by James & Chris). Although numbers attending are small, please pray that all participants would encounter Jesus during the discussions.

Wednesday

Please pray for Iain in the great work he does serving children & families in our church and local communities; and for Naomi & Travis, working with our youth. Ask that God would anoint them with wisdom, patience, and joy, and that their work would inspire faith, love, and hope in every child and young person.

Thursday

The Community Library (above the Coffee Shop) is open this morning. Please pray that those in our local area who use might sense God's presence through those who serve there, and give thanks for our volunteers' faithfulness in this area of service. Pray too for this afternoon's Link Club gathering.

Friday

We are blessed to have a wonderful Operations & Admin team in Andy, Chris, Laura, Caroline, Jackie, Jacob, Mark and Nubil. Give thanks for all their hard work behind the scenes; and pray that God would encourage them, and grant them wisdom, patience and energy as they faithfully serve Him here.

Saturday

Please pray for the ongoing medical and educational activity supported by The Brickworks, and for people in Yei who were disappointed by the delay in our team's planned visit. Also rejoice with John & Sarah Sutton in Tonypandy for the recent birth of baby Olive, and pray for her ongoing health.
