Aims of the trip

- To see and be involved with the outreach activities of the Baptist church, including the Day Care Centre for children, the Youth group and football and taekwondo training, with Bible studies.
- To visit people in their homes, hear their stories, pray for them and give practical help where possible, both in Gotesti and in Tiganca village, where a new church is being planted.
- To join in with church activities, including a Bible study meeting and a Sunday service. To meet with church members and leaders.

Prayer requests

1. For God to inspire and challenge the team members and to use them to bless and encourage others and share Jesus' love.
2. For a clear understanding of life in Moldova, the challenges and what the Baptist church is doing to help.
3. For freedom from illness and safety in travel.
4. That team members would get on well together. For forbearance and sensitivity with each other and with those they meet.
5. For Ruslan and Larisa in their busy lives, as they lead the church and serve the people in their community.
