

Prayer Diary

Sunday 1 to Saturday 7 February

Sunday

We are delighted to introduce a new organisation as Mission Partner of the Month in February: Encounter Christianity, which is a Bristol based charity, aimed at enriching the religious education of local pupils by bringing the Christian faith to life in the classroom. Jess Ottaway is part of their team, and more information will be shared at today's services

Monday

We are blessed to have such a fantastic clergy team in Si and Tom, who are also supported by Julie as a still-serving retired clergy member. Please pray that God would continue to equip, inspire, strengthen and encourage them in their ministry amongst us here, and give thanks too for their wonderfully supportive family members.

Tuesday

We are also fortunate to have such a dedicated Operations & Admin team in Andy, Chris, Laura, Caroline, Jackie, Jacob, Mark and Nubil. Give thanks for all their hard work behind the scenes week by week; and pray that God would encourage them, and grant them wisdom, patience and energy as they faithfully serve Him here.

Wednesday

Please pray for Iain and our dedicated and enthusiastic Messy Church team, as the latest session takes place after school this afternoon, exploring the theme of the human body (from Messy Church Does Science). Ask that God's love would be felt in every activity, His wisdom would guide every conversation, and that the Holy Spirit would inspire curiosity and faith.

Thursday

Starting today, the Stoke Gifford Community Library (above the Coffee Shop) will now be open every Thursday from 10.30am-12.30pm. Please pray that those in our local area who use the facility might sense God's presence through those who serve there, and give thanks for our volunteers' faithfulness in this area of service.

Friday

Give thanks for the 40+ people who are involved in our prayer ministry here at St Michael's. Please pray that God would grant them wisdom, insight and humility as they pray with others, and that their words would bring comfort, reflecting His love. Ask that God would strengthen them to serve faithfully, and pray for Susie as she heads up this ministry.

Saturday

Please pray for tonight's Men's Ministry social event taking place at the Centre, offering a relaxed opportunity for fellowship and socialising. For those attending, ask that God would bless their time with friendship and laughter, that guests would all feel valued and at ease, and that God's love would be known through our words and actions.
