

# Prayer Diary

Sunday 21 to Saturday 27 June

**Sunday**

This morning, we will be returning to the newly-refurbished church building for our nine o'clock service. Give thanks for all who were involved in the project within the church, and our architects and contractors, and please pray that the building will continue to serve as a Christian hub within our community for many years to come. Please also pray for the four from St Michael's who are being confirmed at the Deanery Confirmation Service at Christ The King this afternoon.

**Monday**

Amongst our local new housing areas Brooklands is the only community facility; and although only recently opened, it is already well used, and is an answer to all the prayers of those who have been prayer walking the area since the site was just a green field. Please pray that together with its café, it will become a key meeting point for the community. Pray too that we may be able to use it to make connections and come alongside those unfamiliar with the area.

**Tuesday**

Please continue to pray for Sue and the team of loyal staff members and volunteers who serve faithfully at the Coffee Shop each day, giving thanks for their hard work and dedication. Ask that this wonderful facility would continue to be blessed by God as a place of warmth, welcome and friendship, and that all who enter today would sense His presence.

**Wednesday**

Please pray for this evening's second session of our four-part Eternity summer teaching series, tonight considering the theme of Suffering & Healing. Ask that these sessions would help us grow deeper in our understanding of God and equip us for conversations with others. In addition, pray too for today's Afternoon Fellowship at the Stoke Gifford Retirement Village.

**Thursday**

Please pray for all those involved in our popular Beehive Baby & Toddler group which meets this morning, offering an opportunity for parents and carers of young children to come and socialise and meet others; and for the children to enjoy toys, games, craft, refreshments, Bible stories and singing. Pray too for this afternoon's latest session of our new After-school Club Ignite for Years 5 & 6.

**Friday**

Many of our young people are attending this weekend's Spree SW event, taking place at the Westpoint Arena near Exeter. The festival has a huge range of activities on offer as well as different teaching streams aimed at young people across all stages of faith. Please pray for safety, good fellowship and fun, and that all attending would have an encounter with Jesus.

**Saturday**

Tunisia is listed no 31 on the Open Doors World Watch List. Please pray that God would protect believers there as they seek to share His good news, and to meet in fellowship with others. Ask that He would 'make seeing eyes blind' when it comes to state surveillance, and would bring about increasing freedom for people to practise their faith in Tunisia.
