

Prayer Diary

Sunday 27 September to Saturday 3 October

Sunday

We are grateful for our gifted and dedicated worship leaders, singers and musicians, who serve so faithfully in this vital ministry each Sunday. Please pray that God would inspire them by His Holy Spirit, filling them with joy and skill as they sing and play. Ask that their worship would draw the congregation closer to Jesus, unite every heart in praise, and encourage all of us who gather.

Monday

Give thanks for Stacy, our Pre-School and Nursery Manager, and for her dedicated staff team. Pray that they would show God's love and care to every child, creating a safe, joyful and nurturing place to learn and grow. Ask God to protect, guide and strengthen them each day. Pray too for wisdom for Karen and the PSN Management Committee as they oversee its work.

Tuesday

The Bristol area women's Bible Study Fellowship group meets here each Tuesday morning, helping those attending discover their true identity by knowing God through His Word. Please pray for wisdom and understanding for those studying together today. Pray too for the Presence group which meets in the Church at Tuesday lunchtimes, exploring the practice of silence and enjoying God's presence together.

Wednesday

As the conflict between Israel and Gaza continues, please pray for an end to the violence and suffering. Ask God to protect civilians and those who care for them, to enable the provision of food, water, medicine and shelter for those in need. Pray that He would comfort the grieving and traumatised; give wisdom to leaders; courage to peacemakers; and bring justice, reconciliation and lasting peace to all peoples of the Holy Land.

Thursday

We thank God for our wonderful clergy team: Si and Tom, also supported by Julie as a still-serving retired clergy member, whose faithful ministry blesses our church family. Please pray for them and their wonderfully supportive families. Ask God to renew their strength and fill them with compassion, joy and courage as they lead us, praying that they would know His guidance, protection and peace in all they do.

Friday

Please pray for the many volunteers whose faithful service supports our midweek activities, Sunday worship, and children's ministries. Ask that God would encourage each one as they generously give their time, energy, and gifts in His service. Pray that He would strengthen them when they are weary, fill them with joy in serving, and may they know how deeply their contribution is valued and appreciated.

Saturday

Please pray for this morning's Forget-Me-Not Café, which offers a safe and caring space for those walking the journey of bereavement. Give thanks for the friendships, understanding and encouragement shared there. Ask that God would bring comfort to those who mourn, strengthen them with His peace and hope, and help each person feel valued, supported and less alone as they share their experiences together.
