

# Prayer Diary

Sunday 11 to Saturday 17 January

## Sunday

This evening's Six-thirty celebration will include full-immersion Baptisms. Give thanks for those being baptised tonight; and please pray that God would fill them with His Spirit, cleanse and renew them, strengthen their faith, and send them out as joyful witnesses to His love, truth, and transforming grace in the world.

## Monday

A new 7-week Bereavement Journey series begins this evening, led by Susie. This is for anyone who has been bereaved at any time, gently guiding participants through the most common aspects of grief and bereavement: please pray for all those attending. Pray too for this morning's Standing Committee meeting, setting out the PCC agenda for the year.

## Tuesday

Open Doors' 2026 World Watch List will be launched in the Houses of Parliament tomorrow. Please pray that many parliamentarians will be drawn to the event to hear inspiring stories of how Christians across the world are defying the challenges to their faith by making an impact on their communities and wider society.

## Wednesday

Alpha has been a gateway to faith for many individuals at St Michael's, a course creating a space where people can come to ask the big questions of life in a relaxed and open environment, where no subject is off-limits, and no question is too silly, difficult, or controversial. Please pray for the taster session being held this evening.

## Thursday

Give thanks for Iain, working with children & families in our church and local communities, supported by Jemimah; and also for Naomi & Travis, as they work with our young people. Ask that God would grant them wisdom, patience and joy as they nurture faith and hope in young hearts, inspiring love and growth in every child and young person.

## Friday

A daytime version of the Bereavement Course (mentioned on Monday) commences this morning; again, please pray for all those attending. Also pray for good conversations, meaningful relationship-building and fun at this morning's Saplings group for babies and pre-school children at the Vench Community Centre in Lockleaze.

## Saturday

Following the Swiss ski resort tragedy on New Year's Eve, please pray that God would comfort all who mourn the loss of loved ones, and that He would surround them with His love. Ask that He would bring healing to broken hearts, and give them strength for each day. Pray too for those who are still being treated for their injuries
