

Prayer Diary

Sunday 24 May
to Saturday 30 May

Sunday

Our Students & Young Adults regularly gather together at our 6.30 Celebration. Please pray that God would equip and encourage Tim as he leads them in his S&YA Minister role; and for this group, ask that God would deepen their faith, strengthen their friendships, guide their decisions, protect their wellbeing, and empower them to live for Christ in their places of work or study.

Monday

Please pray that God would bless all our local school staff and pupils during this half-term week. Ask that He would grant them rest, renewal, and restoration of their bodies, minds, and spirits – especially those having a brief respite from key exams this week. Pray that God would watch over them and refresh their hearts with peace, and the joy of His loving presence in every place and activity.

Tuesday

Please pray for God's protection over families and communities in Central Africa affected by the current Ebola virus outbreak. Ask for a swift containment of the virus and for the rapid distribution of medical supplies and care to those in need. Pray for God to strengthen and equip the community workers, local leaders, and international responders working tirelessly to stop the spread.

Wednesday

Please pray for the two consecutive evenings of our online Alpha course taking place tonight and tomorrow night, which are usually a high point with a special focus upon the Holy Spirit. Ask that God would give scriptures, pictures or words of knowledge for each of the eight people attending the course, and continue to pray for Chris R and Laura as they lead it.

Thursday

This afternoon, our Children's Team are starting a new After-school Club for Years 5 & 6 called Ignite, intending to run it initially on alternate Thursdays until the summer holidays: seeking to ignite a fire for Jesus in the hearts of the children. They will play games; listen to a mini talk; worship and pray together; and engage creatively with the Bible. Please pray for Iain & Jemimah and the team as they launch this new event.

Friday

Give thanks for Stacy, our Pre-School & Nursery Manager, and her dedicated staff team, praying that they would continue to express God's love and care to all the children who attend. Ask that God would surround them with His protection, nurturing their hearts and minds. Pray too for Karen and other members of the PSN Management Committee.

Saturday

Mexico is listed no 30 on the Open Doors World Watch List. Please pray that God would embolden Christians there, protect them from reprisals, and ask that their words and actions lead their persecutors to Him. Pray that the authorities will respond with greater urgency, for protection and justice for those affected by persecution, and that the threat of criminal groups would recede.
