

# Prayer Diary

Sunday 25 to Saturday 31 January

**Sunday**

As we continue today in our 'Encountering God Through...' morning sermon series, and commence a new evening sermon series exploring Paul's letter to the Philippians, please pray for Tom and Si as they preach, and for all those others who are involved in the various aspects of our services today and activities, upfront and behind the scenes.

**Monday**

Please pray for this evening's Belong Night for Students & Young Adults, who will be gathering in the Church Centre for a time of food, worship, fellowship, discussion and listening to Sara Benyon, who will be their guest speaker. Pray too for this evening's Mission Matters Zoom gathering, featuring updates from The Brickworks and Leprosy Mission.

**Tuesday**

Please pray for the members of our Eco group, who meet together this evening. Give thanks for the work they do, asking that they would inspire our church family to cherish creation, act responsibly, and nurture the earth. Pray that we would all reflect God's love through sustainable choices, fostering hope and stewardship for future generations.

**Wednesday**

Please pray for the latest sessions of various activities taking place in the Church Centre this evening: our current Alpha course; the Practicing the Way group, looking at the Foundations of Christianity, aimed at those who have completed an Alpha course; and our Kintsugi Hope Men's Wellbeing group. Pray that all participating would sense God's presence.

**Thursday**

The Bristol Soup Run works via a network of volunteer groups, with different teams heading out each evening with food, clothing, and supplies. We have been given the opportunity of contributing to this mission by supplying and distributing the food, potentially once a month, starting today. Please pray for this initiative, and for Karen Smith as she co-ordinates our support.

**Friday**

Give thanks for Stacy, our Pre-School & Nursery Manager, and also for all the members of her dedicated staff team, praying that they would continue to express God's love, nurture and care to all the children who attend each day. Please also pray for Karen and other members of the PSN Management Committee in their overseeing and support roles.

**Saturday**

Niger is listed no 26 on the Open Doors World Watch List. Please pray for God's protection for our brothers and sisters, asking that He would put His loving arms around them, and enable them to know that Jesus walks alongside them in their suffering. Pray too for stability and peace to come to Niger, asking that God would change the hearts of the persecuting militants.
