

# The Rocks Family in Brazil

# Background to the story

Jimmy, Katia, Joanna and Davi moved out to Florianopolis, in the South of Brazil in June 2015.

They have gone out with the Church Mission Society (CMS).

The family went out to plant a new church as part of the Vineyard family of churches, and to partake in family restoration and seeing God's Kingdom come on the streets of Florianopolis.

# Support

Individuals from St Michael's and the Mission Action Group support Jimmy and Katia in their work.

Recently, funding from the HOTC tithe was given for the Rocks to start a new church.

# How has the HOTC tithe money been used?

The allocation from the HOTC tithe has gone towards the costs of Jimmy and Katia planting a church in the heart of their neighbourhood.

- Costs to hire the building they meet in.
- Equipment to make their church meetings run, a PA system, projector, chairs.
- As well as media publicity and outreach.
